About   Education   Skills   Projects   Resume

About Me

I'm a **passionate computer science student** 've been involved in many different projects at [school]—we're currently working on an app that will allow students to easily and quickly access their grades online. We're also working on an app that allows users to communicate anonymously with other people using their phone's microphone or camera without worrying about them hearing their conversation or seeing them.

Education

bharathidasan University queens collage of arts and science for women -Bsc computer science
